Kernan Consulting adds vCFO and Financial Services to its Offering

Omaha, NE (February, 15th 2017) Kernan Consulting (www.KernanConsulting.com), an award winning international technology consulting company offering Coaching, Advising and Mentoring programs, announced today that Colleen Henneke has joined the practice as Virtual CFO and Principal Consultant. With her addition, the company will offer Strategic Accounting, Financial Consulting and Book-keeping services to its portfolio of offerings. The company will now have the experience and personnel to help any level of financial service needs, including strategic financial support and interim CFO services.

“It is an honor to join the Kernan Consulting team and work to help other achieve financial success in their business,” stated Colleen Henneke. James Kernan CEO of Kernan Consulting shared, “Colleen has over 30 years of accounting and leadership experience. She is a certified CPA and also extensive strategic finance and public accounting experience. Adding her and the vCFO services to our service portfolio will further assist our valued customers achieve the goals and objectives they have set. I’m really impressed with her mergers and acquisitions experience as well. This expertise will help us respond to the uptick in demand in the industry. We are helping more and more clients buy or sell and having her talent on the team will help dramatically.”

“To best address your requirements, we will work to understand your company’s end objectives and align our team and projects accordingly. Through our CFO consulting services, we work directly with the business owner, CEO and board of directors to develop strategic financial guidance appropriate for your business’ stage and growth plans”, explained Colleen Henneke.

The company has core service offerings including 1) Self-Paced Education, 2) One on One Consulting, 3) Group Consulting/Coaching, 4) Merger/Acquisition Services, 5) Virtual Sales Management Services, and now 6) Financial Services.
