Kernan Consulting Expands its Practice

San Diego, CA (June 30th, 2008) Kernan Consulting (www.KernanConsulting.com), an international technology consulting company offering Coaching, Advising and Mentoring programs to the small IT VAR, announced today that it has expanded its consulting programs. “To better serve our customers, we have strengthened our team by adding executive level consulting team members. We are excited to announce new consulting programs to our existing customers. With the additional resources, we have expanded our bandwidth and capabilities to support more clients”, stated James Kernan, CEO of Kernan Consulting. The new programs are monthly packages geared around working closer with customer CEO’s, and also now offering face to face group packages. Members are selected for a particular group based on the following factors; size, type, issues and pain, growth projection, stage of development, and geographical location. We don’t allow competitors to be in the same group nor businesses with a significant relationship with an existing member.

1-2-1 Consulting Programs

1) VP Package – monthly program

1x monthly calls, strategy assistance and development

2) Exec Package – monthly program

2x monthly calls, special projects, strategy development

3) Board Package – monthly program

4x monthly calls, special projects, strategy development

Group Consulting Programs

1) CEO Group Package – monthly program

1x monthly calls, strategy assistance and development with 1 group member meeting
