Kernan Consulting CEO to speak at the Tigerpaw Software National Users Conference Event in October

San Diego, CA (July, 10th 2010) Kernan Consulting (www.KernanConsulting.com), an international technology consulting company offering Coaching, Advising and Mentoring programs to the small IT VAR, announced today that its CEO, James Kernan, will speak at the TigerPaw Software National Users Conference 2010 event at the Sheraton Hotel and Conference Center in Dallas, Texas October 6-8th, 2010.

This is Tigerpaw's first annual users conference after 26 successful years in business. They expect a sell-out crowd of more than 350 Tigerpaw users to descend on this 3-day action packed event filled with teachings from the industry's top experts, peer to peer discussions with other Tigerpaw users, and the debut of Tigerpaw 11: the latest software release from Tigerpaw.

Tigerpaw has hand-selected the industry's best and brightest to participate in keynote presentations, peer discussions, and class curriculum. We hope that you will walk away with information and techniques that will help business owners **LEARN** more about how to use Tigerpaw better and be more profitable, **SHARE** your experiences with other Tigerpaw users, and **SUCCEED** in growing your business.

James Kernan will be part of the educational sessions and will help teach resellers how to successfully recruit top talent. The business session will be called: **Creating Your Dream Team** *"The Secrets to successful recruiting and avoiding costly mis-hires"*. "Recruiting the RIGHT people for your business is critical," says James Kernan CEO of Kernan Consulting. He will be conducting two sessions, one on Thursday and one on Friday.

About Tigerpaw

Tigerpaw is the leading provider of business building software designed for technology providers. The award-winning Tigerpaw solution is the most comprehensive suite of tools available to help IT, telephony, security, audio/video, and point of sale businesses create growth. Tigerpaw enables businesses to deliver a higher level of service while achieving greater profitability by managing, automating and integrating service, CRM, inventory,

sales, marketing, purchasing, workflow, and accounting. Tigerpaw ensures that sales calls are never forgotten, customer requests don't fall through the cracks, SLAs are met, and technician time is always billed. With Tigerpaw, all of your employees share customer information from a single database, through one powerful application. For over 25 years, Tigerpaw has helped more than 28,000 technology providers increase sales, provide better service, produce bids quicker, order and track equipment, manage projects, and bill faster.
